### **Electronic Code of Federal Regulations**

PART 441 – DENTAL OFFICE POINT SOURCE CATEGORY Section 441.50 Reporting and Record Keeping Requirements

**Dental Office Name:** 

Amalgam	Separato	or Infor	mation

Manufacturer: Model: Date Installed:

#### **Sections 441.50 (b)**

Dental Dischargers or an agent or representative of the dental discharger must maintain and make available for inspection in either physical or electronic form, for a minimum of three years:

- (1) Documentation of the date, person(s) conducting the inspection, and results of each inspection of the amalgam separator(s) or equivalent device(s), and a summary of follow-up actions, if needed.
- (2) Documentation of amalgam retaining container or equivalent container replacement (including the date, as applicable).
- (3) Documentation of all dates that collected dental amalgam is picked up or shipped for proper disposal in accordance with 40 CFR 261.5(g)(3), and the name of the permitted or licensed treatment, storage or disposal facility receiving the amalgam retaining containers.
- (4) Documentation of any repair or replacement of an amalgam separator or equivalent device, including the date, person(s) making the repair or replacement, and a description of the repair or replacement (including make and model).
- (5) Dischargers or an agent or representative of the dental discharger must maintain and make available for inspection in either physical or electronic form the manufacturers operating manual for the current device.

#### **Instruction for Use**

Yaeger Dental Supply recommends keeping all three record sheets filed away for inspection purposes (Inspection Log, Maintenance Log, and Container Replacement Recycle Log). If you would like to digitally log your records, follow the URL below to gain access to free amalgam separator logging online software. For a small annual fee, a premium version is also available which adds features to allow us as your dealer help you keep track of your system, as well as send out reminders for inspections and maintenance (you can upgrade at any time)!
